Objective

A highly motivated and technically proficient fresher seeking a challenging position in software development where I can utilize my skills in HTML, CSS, JavaScript, Python, and other programming languages, along with my academic background in Computer Applications, to contribute to the success of the organization.

Projects

Virtual Dashboard for Stock Market Prediction   Ongoing in MCA

- **Language.** : Core Python, Python Libraries, Machine Learning, Tableau
- **Description.** : Developed a predictive model for stock prices using historical data and machine learning algorithms. Using Tableau to present predictions and insights effectively.

Real Estate Management System   Accomplished in BCA

- **Language.** : HTML, CSS, JavaScript, MySQL, PHP
- **Description.**: Developed a comprehensive Real Estate Management System as part of an internship project, which included features for property listing, user authentication, and transaction management.

Python Django Webpage   Freelancing

- **Language.**: HTML, CSS, Python, Django, XAMPP
- **Description.**: Developed a Django-based web application featuring CRUD operations for user management, including login, registration, and password recovery. Utilized XAMPP and MySQL for database management. Implemented user authentication and session handling to ensure secure access.

dhankuberlotto.com   Freelancing

- **Tools.**: HTML, CSS, PHP, XAMPP
- **Description.**: Developed a web application using PHP and XAMPP, implementing CRUD operations for user management. The system supports user registration, login, and password recovery. Utilized MySQL for database operations and integrated secure authentication and session management.

Additional Experience And Awards

Accenture North America Data Analytics and Visualization Job Simulation on Forage - August 2024

- Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture.
- Cleaned, modelled, and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions.
- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders.

Successfully completed Accounting Tally With GST Course from Abhi Computer Institute
Successfully completed Intership on Enfowize Solution Ahmedabad
Successfully completed my 1-month internship in Machine Learning at CognoRise InfoTech from June 1st to July 1st, 2025

Education

GLS Institute of Computer Technology -Ahmedabad, MCA (Pursuing)	2023 – 2025
Gujarat University -Ahmedabad, BCA	2020-2023

- CGP 7.44

Saraswati Vidhya Mandir -Ahmedabad, HSC	2020

- Percentage 65.6

Saraswati Vidhya Mandir -Ahmedabad, SSC	2020

- Percentage 62.66

Technologies

Programming language: C++, C, Java ,Python
Web language:HTML, CSS, JavaScript , Php
Databases: Sql , MYSQL
Tools and Platforms: XAMPP , jupyter notebook , Google Colab
